

The Junior ACFA program provides learning and leadership experiences for youth to introduce them to the world of cats, as these youth are the future of the cat fancy. Junior ACFA develops and provides programs that foster children's ethical, social, and intellectual development. While nurturing children's capacity to think skillfully and critically, we also strive to deepen children's commitment to social values such as kindness, helpfulness, personal responsibility, and respect for others - qualities believed to be essential to leading humane and productive lives in society.

Junior ACFA as a part of the American Cat Fanciers Association is promoted as family entertainment and recreation, a place where families can gather in a safe environment yet learn and contribute to society. Junior ACFA members actively participate in the development of their organization and decision-making processes so they feel ownership of Junior ACFA.

The Junior ACFA Program will focus on feline exhibiting and education. Forums to discuss topics of interest to youth such as grooming, handling, behaviors, basic feline first aid, clerking and stewarding techniques will be offered at show hotels in certain venues as attendance allows.

Program designed for youth in four categories:

Novice	7-9 year olds
Beginner	10-12 year olds
Intermediate	13-15 year olds
Advanced	16-17 year olds

(Any youth under the age of 7 will be at the determination of the Chairperson. Classes are determined by the age of the youth on May 1st.)

Class will be determined according to the youth's age on the last date of the show season. The purpose of this program is to acknowledge, honor and educate the youth that surrounds us today. Our youth are the future of ACFA and by establishing a program which rewards them for learning about our feline friends, the Cat Fancy, exhibiting, breeding and caring for these beautiful animals we are thus helping to ensure the future of this Association of which we are all so dedicated.

A \$15.00 membership fee will be payable *BEFORE* a Junior ACFA member can start accumulating points for awards. Membership fees are due by January 1st of each year.

The Program hopes to receive sponsorships to be able to award each participant annually. Achievement Awards will be presented to the highest achieving youth(s) in each age category at the regional and national level who participated in the recent show year. Awards will be calculated based on total points accumulated for the activities listed.
