SHOW MANAGEMENT

B-1: SHOW DATE GUIDELINES

1. The official Show Calendar will cover a 24-month period.
2. An established show date is a club conducting a show two (2) years in a row on the same weekend. Show dates are determined by weekend numbers from 1 to 4, with 5th weekends as they occur. A split weekend, Saturday in one month and Sunday in the next month are treated as the 5th weekend of the first month. A club must sponsor a show two consecutive years on the same numbered weekend in order to establish the weekend as an established show date for that club. Clubs who establish the 5th weekend as an established show date must have a show on the 5th weekend each time it occurs.
3. Shows on the same weekends must be 750 miles apart.
4. A club changing dates or holding a new show must consult with Central Office and their Regional Director before selecting a date. Central Office will officially assign and coordinate show dates.
5. In the event of a conflict in dates involving two clubs in different regions; both Regional Directors will be contacted and will arbitrate the dispute. A club, which has used the same date for two (2) consecutive years, will be given priority consideration and will not be required to change dates.
6. When two (2) or more Regional Directors are unable to resolve a show date dispute; it will be presented to the Board of Directors for resolution.
7. The Regional Director who deals with any changes in show dates, etc. who is contacted regarding other shows that might affect the scheduled show; is the Regional Director for the region in which the show is held even if the club's address is in another region.
8. Any club which has held a show on the same date for two (2) consecutive years will have that date listed on the calendar until four (4) months prior to the show date. At that time a club must pay a \$50 reservation fee and show some movement towards putting on the show i.e.; listing of judges, entry clerk, and show hall or show motel for the show to remain on the calendar.
9. Sending show information to magazines and publications will not take place until the \$50 deposit is paid. Keep in mind that there is a three (3) month lead-time to get information to the publications.
10. A club which changes its show date on a one-year only basis, due to such circumstances as hosting the Annual or allowing another club to use the date in a special situation, must notify Central Office and its Regional Director and, having done that, will not lose its two (2) year consecutive date status.
11. All show deposits are not refundable or transferable unless approved by the Board of Directors.
